

Personal Information

Anxhela Mehmetaj
Fort Lee, NJ 07024

Summary

A logical and creative thinker who enjoys learning new languages, frameworks and technologies in general. Excited to be part of the future of the technology industry and my outstanding organizational skills will play an essential role to keep code DRY and as-refactored as possible. The satisfaction of solving problems is what drives me to be a better programmer. An entrepreneurial spirit can be utilized for aligning profitable goals when programming. Passionate about travel, the outdoors, films, meeting new people and exploring the world.
